Manage Controlled Vocabularies

You can use this form to scrape controlled vocabulary terms from all EAD guides in the eXist database and add the terms into the Solr voc. You will be able to create custom vocabularies and edit existing ones.

Update LCSH

Import

Create/Edit

Purge

Optimize

Update LCSH terms from Atom Feed

This function enables querying the Library of Congress's LCSH service at id.loc.gov to extract terms from the Atom feed that have been changed since the previous date this function was run. This may take several minutes.

Date of last update: 2010-06-23T14:15:55.754-04:00
