Hi, Teresa.

I was browsing the brochures that cover donating material for use at our new repository here at the University of Georgia. I noticed that they haven't been updated in 18 years or so and was wondering if there were plans to do so in the near future. I'd rather not order anything if they'll be replaced soon.

Many thanks!

Teresa,  
Thanks so much for letting me know. Since the brochures don't address electronic records, I hope the board will make it a priority.  
Thanks again -
