**Staff 2nd Quarter: Membership Report
(Prepared by Carlos Salgado)**

As of December 31, SAA membership totaled 5,391 members, a decrease of 126 (-2.28%) from the same period last year. Total individual memberships decreased by 128 (-2.57%). We see continued growth of ID 6, ID 7, and ID 8, increasing by 106. Institutional membership levels are returning to pre-pandemic levels closing out December with 547, compared to 560 at the close of February 2020. Continued, pro-active staff monitoring of lapsed institutional memberships has a continued desired result. See the table below for details by membership category, December 2022 to December 2023.

Between November and December 2023, SAA’s total membership decreased by 23. There were 51 new members, 3 of which were regular institutional and 24 student members. We saw a return of 62 reinstated members, of which 1 institution, and 61 individual members.
