Consent Agenda: Ratify SAA Executive Committee Interim Actions**

Prepared by Jill Burgos, SAA Governance, Governance Manager

BACKGROUND

Current parliamentary policy agrees on validating board decisions made remotely, and ratifying the Council's online and conference-call decisions via the Consent Agenda does not conflict with any existing SAA policy.

DISCUSSION

Given the Executive Committee's use of an e-mail discussion list to function as a group and make decisions remotely, approving interim Council actions via the Consent Agenda contributes to streamlining the group's work and improves access to the interim decisions of SAA's elected decision-makers.
