Certificate Program Updates

We continue to highlight each new DAS and A&D certificate holder on the website here: <https://www2.archivists.org/prof-education/das/certificate-holders> and here: <https://www2.archivists.org/prof-education/a-d/certificate-holders>

- This quarter does not include a DAS Comprehensive Exam administration, so we cannot report on newly-earned certificates. However, 3 people renewed their DAS Certificate this term. One year ago, we saw 9 people renew in Q2.
- Eleven people earned their A&D Certificate this period. There were no renewals. This time last year, 4 A&D Certificates were awarded, alongside one renewal.
- Two people applied for Option B DAS Renewal in Q2 of FY26.

Highlights and Discussion

- This quarter Education offered Cultural Diversity Competency with instructor Helen Wong Smith for a closed course at the New York State Archives.
- A brand-new course, *Records in Context, in Context*, ran this quarter as part of the A&D Curriculum.
- The DAS Subcommittee approved the Technology Management for Archivists course as part of the DAS Curriculum, in the Foundational Tier.
- Education worked with SAA Council and Executive Committee to reallocate funds to enable offering the Career Transitions Workshop for significantly subsidized rates. Members can now take advantage of this course (planned for May 2026) at \$49; nonmembers will be charged \$129.
- The DAS Subcommittee continues to work with our psychometrician consultants on DAS Certificate improvements. Scheduled for this fiscal year is an Operational Validity exercise to examine the effectiveness of DAS exam items and guide a refresh of the Comprehensive Exam. The Subcommittee is also working on re-weighting the curriculum tiers based on information from the Job Task Analysis work completed in FY25.
- The Committee on Education is working to revise several foundational A&D webinars and non-certificate courses, including Rare Books for Archives (last offered prior to 2018) and EAC-CPF, as well as a new course in development, Information Literacy for Archivists (planned for Fall of 2026).
