

Strategic Plan Actions and Timelines, FY 2020 – FY 2022 As Approved by the SAA Council, June 2019

At its November 2018 meeting, the SAA Council reviewed the Society’s [Strategic Plan 2014-2018](#) and discussed SAA’s evolving priorities, with a goal of revising the plan to reflect those priorities in the mid-term future. In a facilitated session, Council members identified three major areas of focus—Advocacy, Research, and Culture—as well as its highest priorities. The facilitator then mapped these to SAA’s four existing goals (Appendix).

Based on this work, the SAA staff drafted activities that staff members believe are 1) responsive to the Council’s priorities and 2) achievable given SAA’s resources. The activities were put forward in draft form and the Council made revisions during discussion at the May 20-22 Council meeting. The following dashboard was approved via online vote in June 2019, with an understanding that the Council and staff will monitor progress and adjust the activities as needed.

Note: Throughout the dashboard, “WE” designates our “Welcoming Environment” initiative, a reminder to all of us that SAA intends to provide an open, inclusive, and collaborative environment in which all members have the opportunity to participate fully.
