**Staff Report: Membership
(Prepared by Nancy Beaumont and Thomas Jurczak)**

At the end of the third quarter of FY 2013, overall membership reached a new all-time high of 6,113, reflecting modest growth (1.83%) since March 2012. As a result of the dues increase that went into effect on July 1, 2011, and a shift toward higher-paying dues categories, dues revenue is \$38,388 (6.81%) higher than at March-end 2012. Dues revenue exceeds budget by \$7,987 (1.34%) and deferred dues revenue is \$24,350 (5.69%) higher. See the table below for details by membership category.

Just FYI: The graphs on page 2 summarize 1) individual and institutional membership trends from October 2002 to March 2013 and 2) growth in individual membership (less students) during the same period.
