Staff Report: Membership
(Prepared by Nancy Beaumont and Carlos Salgado)

As of April 30, 2016, overall membership totaled 6,125, down 91 from April-end 2015 and down 108 from our all-time high of 6,233 in November 2014. Individual members less students totaled 4,564; 16 individual members have already shifted to the ID8 category upon renewal. Both Regular and Sustaining institutional membership increased slightly. See the table below for details by membership category, April 2015 to April 2016.

Per the Treasurer's report (VI-D-FinRevFY16), March-end dues revenue exceeded last year and budget by 1.33% and 4.46%, respectively. The fact that deferred revenue remains slightly ahead of last year is encouraging. Nevertheless, we believe that our FY 16 "no growth" budget in Membership will prove to be accurate.
