# Society of American Archivists Council Meeting May 7-9, 2018 Chicago, Illinois

### February 2018 Year-to-Date Financial Statements – FY 2018 (Prepared by Cheryl Stadel-Bevans and Peter Carlson)

#### Overview

For the month ending February 28, 2018, SAA posted a net gain of \$233,196. This represents a favorable variance of 3,529.32%, as the budgeted gain for February was \$6,425. Total revenues were higher than last year and budget by \$108,441 (5.65%) and \$68,433 (3.49%), respectively. Total expenses were lower than last year and budget by \$80,493 (4.29%) and \$158,338 (8.1%), respectively.

#### **Balance Sheet**

Cash and Investments balances exceeded last year by \$239,264 (15.73%) and total deferred revenues are up over last year by \$24,643 (3.41%). Membership deferred revenues were up by \$7,232 (1.35%).

#### **Income Statement**

For the month ending February 28, 2018, SAA posted a net gain of \$233,196. This net gain is better than last year and budget by \$188,934 (426.85%) and \$226,770 (3,529.32%), respectively. All cost centers except Publications and Education have higher-than-budgeted revenues, and Annual Meeting revenues exceeded last year and budget by \$77,034 (11.01%) and \$145,558 (23.06%), respectively. Expenses are lower than or at budget across all cost centers except Career Service (1.8% over budget). Expenses overall are \$158,338 (8.1%) below budget due to timing issues and the cancellation of several courses.

Specific points of interest are as follows:

- **Membership:** Overall membership increased during February by 12 members (0.2%), and dues revenue exceeded last year and budget by 5.98% and 3.91%, respectively. Membership's net gain for February is better than last year and budget by \$29,541 (5.26%) and \$26,541 (4.75%), respectively. Deferred Revenues continued apace in February, exceeding last year by \$7,232 (1.35%).
- **Periodicals:** The Journal's net loss as of February 28 was \$52,872, varying favorably with budget by 4.23%. This variance results from revenue of \$51,891, which is \$2,871 (5.86%)

higher than budget. In addition, overall costs were 0.51% lower than budget. *Archival Outlook's* net loss of \$77,833 is *lower* than last year and budget by \$2,658 (3.3%) and \$5,033 (6.07%), respectively.

- **Annual Meeting:** As of February 28, 2018, the Annual Meeting in Portland posted a net gain of \$336,831, which is 66.83% ahead of last year's net gain and 107.32% better than budget. Total revenue exceeded budget estimates by \$145,558 (23.06%), while expenses were under budget by \$28,805 (6.14%).
- **Publications:** As of February 28, Publications showed a net loss of \$37,314, which is \$4,259 (12.88%) greater than last year's net loss of \$33,055 and \$4,280 (12.96%) greater than our budgeted net loss of \$33,034. Publications' total revenue as of February 28 was lower than last year and budget by \$11,247 (7.18%) and \$27,075 (15.70%), respectively.
- Education: Education posted a net loss of \$26,748 for the period ending February 28, 2018. This performance is better than last year by \$7,667 (22.28%) and lower than budget by \$46,504 (235.39%). Revenues for Education are down from last year and budget by \$2,596 (0.85%) and \$89,582 (22.79%), respectively. Expenditures in Education are lower than last year and budget by \$10,263 (3.01%) and \$43,078 (11.54%), respectively. This variance with budget reflects the cancellation of several courses in November and February as well as timing issues. Given the need to create new content during the last five months of the fiscal year, it is likely that Education expenses will exceed budget at fiscal yearend.
- Career Services: As of February 28, 2018, Career Services posted a net gain of \$31,401, which is better than last year and budget by \$4,999 (18.93%) and \$3,870 (14.06%), respectively. Revenues are up over last year and budget by 12.43% and 8.93%, respectively. The variance with budget reflects a conservative outlook on hiring during the budgeting process.
- General & Administrative: The net loss in G&A for the period ending February 28 was \$324,802, which is 3.59% less than last year's net loss and 10.58% less than the budgeted net loss of \$363.212. The variance with budget is the result of cost savings for staff travel, payroll, and depreciation. In addition, the timing of some consulting expenses results in a variance with budget. It is expected that General & Administrative will come in very close to budget once all expenses are realized.
- **Governance:** As of February 28, Governance posted a net loss of \$119,960, which is 3.82% lower than budgeted.
