ARCHIVAL COMPENSATION TASK FORCE

In January and February 2020, I worked with the Appointments Committee to appoint eight people to the Archival Compensation Task Force. The following individuals were confirmed for the task force: Greta Pittenger (chair), Stephanie Bayless, Mike Bullington, Elena Colón-Marrero, Jennifer Kinniff, Elizabeth Hawley, David Kay, and Maria Leighton.

APPOINTMENTS

From February to May, I have focused on continuing the appointments process. I deeply appreciate the hard work of the Appointments Committee (Chaired by Kate Stratton with members David Benjamin, Bill Jackson, Derek Mosley and Barbara Teague). The recommendations of the committee have been forwarded to me and I will be making calls to confirm member's intent to serve in these appointed positions.

WEEKLY MEETINGS

In addition, I have participated in weekly phone calls with President Meredith Evans and Executive Director Nancy Beaumont as well as monthly calls with the full Executive Committee.
