

**Society of American Archivists
Council Meeting
May 18-20, 2022
Chicago, Illinois**

**President's Report
(Prepared by Courtney Chartier)**

- I participated in weekly calls with Vice President Terry Baxter, Executive Director Jackie Price Osafo, and Governance Manager Felicia Owens.
- I participated in monthly calls for the Executive Committee.
- I attended one meeting of the SAA Foundation Board (March 23, 2022).
- I recorded a welcome from SAA for the program “Hidden in Full View and the Silent Shore: A Story of Truth, Racial Healing and Transformation.” This program was held on March 30 and co-sponsored by SAA.
- I attended a quarterly meeting organized by NARA for archival organizations (April 22, 2022).
- After receiving a request for contact, I participated in three calls with staff from O*NET, who are revising the entry for “archivist” with the Department of Labor. To do these revisions, the DOL conducts short, compensated interviews with experts in the field; they requested SAA’s help in recruiting as broad and deep a representation of working archivists as possible. I then sent a call for participants to the SAA Leaders list. We got a wonderful response rate!
- I submitted two articles for the President's column in *Archival Outlook*.
- I met with Sarah Quigley and Natalie Baur (the co-chairs of the Program Committee) to discuss the keynote speakers for the Annual Meeting in August. I then presented my idea to Jackie, Felicia and Terry, and we are hopeful!
- I met with Jasmine Jones and Dominique Luster to begin our work on the SAA Sections health project (as decided at the February Council meeting).
