**Staff Report: Membership
(Prepared by Nancy Beaumont and Thomas Jurczak)**

At the end of FY 2013, overall membership reached a new all-time high of 6,189, reflecting modest growth (1.81%) since June 2012. As a result of the dues increase that went into effect on July 1, 2012, and a shift toward higher-paying dues categories, dues revenue is \$53,676 (7.09%) higher than at June-end 2012. Dues revenue exceeds budget by \$15,028 (1.89%) and deferred dues revenue is \$25,948 (5.86%) higher. See the table below for details by membership category.

For a longer view on membership growth, the graphs on page 2 summarize 1) individual and institutional membership trends from October 2002 to June 2013 and 2) growth in individual membership (less students) during the same period.
