**Staff Report: Membership
(Prepared by Nancy Beaumont and Carlos Salgado)**

As of June 30, 2015, overall membership totaled 6,192, down 41 from our all-time high of 6,233 in November 2014. Individual membership less students totals 4,597; our all-time high was 4,608 in February 2015. Growth continues, however, in the ID5 – ID7 categories. See the table below for details by membership category, June 2014 to June 2015.

Institutional membership was affected in recent months by a declaration of bankruptcy by SWETS (a subscription service that also handles some institutional memberships), so we are encouraged to see Regular institutional membership on an upswing. We will focus in the coming months on rebuilding the Sustaining institutional membership category.

Per the Treasurer’s report (V-D-FinRevFY15), at preliminary close for FY 15 dues revenue exceeded last year and budget by 5.05% and 3.01%, respectively. The favorable variance to last year, and the fact that deferred revenues in Membership remain steady, is encouraging. Nevertheless, we believe that our FY16 “no growth” budget in Membership is accurate.
