**Staff Report: Membership
(Prepared by Nancy Beaumont and Carlos Salgado)**

As of June 30, 2016, overall membership totaled 6,093, down 99 from the same time last year and 140 from our all-time high of 6,233 in November 2014. Individual membership less students totals 4,535; our all-time high was 4,608 in February 2015. Growth continues, however, in the ID4 – ID7 categories and 71 members have moved to the new ID8 category. There has been a significant increase in the number of retired members. Institutional membership remains steady.

See the table below for details by membership category, June 2015 to June 2016.

As noted in the Treasurer’s report (V-D-FinRevFY16), Membership revenues have held very close to our “no growth” budget projections. We will continue to monitor shifts in membership, particularly in light of the member-approved dues increase implemented on July 1.
