**Staff Report: Membership
(Prepared by Nancy Beaumont and Carlos Salgado)**

As of June 30, SAA membership totaled 5,597, a decrease of 237 from the same time last year and 636 below our all-time high of 6,233 in November 2014. Individual membership less students totals 4,096; our all-time high was 4,608 in February 2015. We saw declines in the ID2 through ID7 categories. See the table below for details by membership category, June 2019 to June 2020.

As noted in previous reports, we look forward to discussion with the Council about dues restructuring as well as removal of the requirement for all-member referenda to change dues rates. The latter creates a significant barrier to thinking creatively and moving nimbly as membership declines.
