

**Society of American Archivists Foundation
Board of Directors Meeting
September 14, 2022
Virtual Meeting**

**President's Report
(Prepared by Margery Sly)**

Update:

Since our last meeting, I have been focused on Annual Meeting planning, Nominating Committee activities around non-board member candidates for board committees, and representing the Foundation Board at SAA Council meetings and the CODA meeting (as they take over management of the Research Forum).

The Grant Review Committee specifically and the Foundation generally should maintain a close relationship with the Research Forum to support research grant activity.

A thank you:

It has been an honor to serve as the SAAF Board President for the past two years and to work with so many talented board members and staff. I confidently pass the baton on to the current Board knowing you will ensure that the Foundation's programs and processes grow into the future.
