Chicago, Illinois**

**Staff Report: Membership  
(Prepared by Nancy Beaumont and Carlos Salgado)**

As of September 30, 2014, overall membership totaled 6,198, reflecting modest growth over the previous 24 months and a decline from our all-time high of 6,224 in July 2014. See the table below for details by membership category in September of FY13, FY14, and FY15.

Individual membership less students remains within seven of our all-time high of 4,593 in August 2014, and we are encouraged by the growth in both Regular and Sustaining institutional members. A report on dues revenue in comparison with September-end FY14 and in comparison with the FY15 budget awaits closing of the September financials.
