**Staff 1st Quarter Report: Membership
(Prepared by Carlos Salgado)**

As of September 30, SAA membership totaled 5,429 members, a decrease of 138 (-2.48%) from the same period last year. Total individual memberships decreased by 144 (-2.87%), with 29 (-2.80%) of those from the student member tier. We see continued growth of ID 6, ID 7, and ID 8, increasing by 112. Institutional membership levels are returning to pre-pandemic levels closing out September with 550 institutions compared to 560 at the close of February 2020. Continued, pro-active staff monitoring of lapsed institutional memberships has a continued desired result. See the table below for details by membership category, September 2022 to September 2023.

Between August and September 2023, SAA’s total membership increased by 26. There were 117 new members, 3 of which were regular institutional and 92 student members. We saw a return of 75 reinstated members, of which 10 institutions, and 53 individual members.
