**Committee on Education: Revision to the
Committee on Education Standing Rules
(Prepared by: Ashley Todd-Diaz and Rita Johnston)**

BACKGROUND

This action item is being submitted to update the Committee on Education's standing rules to reflect current practice. Key updates include adding the chair of the Graduate Archival Education Subcommittee as an ex officio member of the Committee on Education and adding the vice chair of the Committee on Education as an ex officio member to the Committee on Research, Data, and Assessment (CORDA).

DISCUSSION

There is not much more to add as this is a minor change.

RECOMMENDATION(S) [for Action Items only]

That the SAA Council adopt the proposed revisions to the Committee on Education standing rules and update the standing rules online:

<https://www2.archivists.org/governance/handbook/section7/groups/Education>.

Support Statement <bf>:

Updating the Committee on Education standing rules would reflect membership roles that are already in place in practice. The chair of the Graduate Archival Education Subcommittee already acts as an ex officio member of the Committee on Education, and the vice chair of the Committee on Education already acts as an ex officio member to the Committee on Research, Data, and Assessment (CORDA).

Impact on Strategic Priorities <bf>:

This update does not affect the Strategic Priorities of SAA.

Fiscal Impact <bf>:

We do not foresee any fiscal impact for implementing these revisions.
