- Summary of meeting activities: attached

Completed projects/activities: As is typical we had a number of session proposals for the SAA meeting and selected two for endorsement. We created and instituted bylaws.

Ongoing projects/activities: [none submitted]

New projects/activities: [none submitted]

2010-2013 Strategic Priority – Technology Initiatives: We will continue having online elections next year.

2010-2013 Strategic Priority – Diversity Initiatives: We will continue our work on accessibility issues in archives.

2010-2013 Strategic Priority – Advocacy/Public Awareness Initiatives: Advocacy and public awareness of archives remains a significant concern to archives managers and, as a result, this roundtable. The program part of the roundtable's annual meeting this year was about advocacy.

Initiatives associated with the new 2013-2018 Strategic Plan: As archival managers we are particularly concerned with advancing the field. In the past few years we have been a part of the approval process for three standards or guidelines. We are very interested in advancing more standards because they guide managers of archives in making wise decisions. We are also interested in enhancing the professional growth of ourselves and those who report to us in our home archives. As a result, we see that as another important area. One of the session proposals that we endorsed for next year's annual meeting was about professional growth.

Questions/concerns for Council attention: [none submitted]
