

**March RMS Steering Committee Meeting
March 12, 2020**

Here are some updates on our work:

- We hope you enjoyed the GDPR interview we conducted with Anne Gilliland (<https://saarmrt.wordpress.com/2020/02/28/gdpr-interview-with-anne-gilliland-scholarly-communications-officer-university-of-north-carolina/>).
- RIM month is coming in April. We're planning blog posts, listserv discussions, and a Twitter chat with the SNAP section.
- We'll be unveiling on our microsite next month our initial list of RM toolkit resources.
