Council Meeting  
July 24, 2017  
Portland**

***The American Archivist* Editorial Board  
Report: May 1 – July 15, 2017  
(Prepared by: Gregory S. Hunter)**

**Allen Press**

SAA has a new primary contact at Allen Press who seems to have finally resolved the PeerTrack issues related to the issuing of publication decisions. These issues did cause some delays in scheduling articles for upcoming issues. With the problems now resolved, I should be able to get everything back on track before the completion of my term at the end of the year.

**Reviews Section**

Bethany Anderson has achieved great success in expanding the number of reviews printed in the journal as well as the content of the Reviews Portal. Since I began as editor, I have wanted to expand the number of reviews published in the journal; I am pleased that this is happening now. Bethany has some additional ideas that the Editorial Board will discuss at its meeting in Portland.

**Upcoming Issue**

Volume 80, No. 2 (Fall/Winter 2017) is in the copy editing stage. The issue will contain 7 articles and 11 reviews, reflecting the expansion of the Reviews Section. The working table of contents is attached to this report.

**Brown Bag Discussion at SAA**

This year, we again will be holding an informal lunchtime Brown Bag Discussion of an article from the upcoming issue of the journal. For this year, I have selected “Surveying Archivists and their Work toward Advocacy and Management, or “Enterprise Archiving,”” by Sarah A. Buchanan, Jane Gruning, Ayse Gursoy, and Lecia Barker

It continues to be an honor to serve as Editor. I would be happy to answer any questions Council may have about the Editorial Board or *The American Archivist*.
