

SAA Committee on Public Policy
Email Discussion
January 11-19, 2017

Meeting Notes

Immigration Registry

- Draft statement circulated to COPP for discussion and feedback.
- General comments indicated substance of draft was adequate, but style and flow of the draft could be improved.
- General comments raised challenge of being proactive regarding this issue when the administration's actual policy was less than clear
- Suggestion was made to hold this statement and seek input from Issues and Advocacy Research Teams
- General agreement that further action on draft be put on hold but that this could be re-activated should developments warrant in line with charge from Executive Committee to have a draft for when the time was right.
