# Comprehensive Exam Suggested Readings List

*Updated March 2026*

This reading list has been developed to serve as a resource for students preparing for the [Digital Archives Specialist \(DAS\) Certificate Comprehensive Exam](#). The reading list includes resources related to each course in the DAS curriculum, organized by [tier](#) then [course](#). This document is updated once a year; for the most up-to-date version, see the [DAS Certificate Reading List Zotero library](#), which reflects more recent changes in suggested readings throughout the year.
