Hello everyone,

Here are the agenda items I have so far - some are long postponed. Please send any ideas or suggestions for additional items to the list and I'll make sure they show up on the agenda.

- WIPO/SCCR representation
 - Insuring paperwork ready
 - Funding???
- SAA 2013 panel - options for panel not accepted?
- ICA WGIP update?
- Copyright for researchers pamphlet
- DMCA rulemaking review?

Heather B.
