Summary of Chapter Activities

Emporia State University's student chapter of SAA is still a relatively new chapter of SAA. Therefore, we are still gaining our footing and establishing goals and activities for us to achieve as a new student chapter. Here is what we achieved during the 2015-2016 school year.

Meetings

The student chapter hosts at least two digital meetings for each semester (Fall and Spring). Since most of the members are spread out around the nation with very few members actually residing in Emporia, Kansas, the chapter opts for online meetings through Zoom. Usually at least three of the officers attend the meetings, the advisor, and a handful of student members. The meetings in the spring focused on brainstorming event opportunities and discussing the benefits of obtaining a membership with SAA. The second Spring meeting welcomed our new advisor and planning events with him.

Volunteer Opportunities

Each organization at Emporia State University is required to complete 30 hours of volunteer service hours. The student chapter of SAA completed over 35 hours of service hours through the following sources:

- William Allen White Children's Book Awards
- Records processing at Atwood Resource Center

Tours and Visits

- Truman Library and Museum
- Member and previous President Kylie Lewis attended the National SAA Conference in Cleveland
- Kansas University Libraries and Special Collections and University Archives and Lawrence Arts Center
 - Several members, alongside employees at Emporia State University's Special Collections and Archives, viewed KU's preservation practices and off-site storage and exhibits at the Lawrence Arts Center

Web and Social Media

We have made a pronounced effort in amping up our online presence. On our blog, we are posting career and internship opportunities, projects students are doing at their archival jobs (including Historypin projects and Leave Your Legacy), and we have started a new monthly interview of people in the library field, particularly hoping to interview archivists. Our blog can be found at <https://emporiascsa.wordpress.com/>. On our Facebook account we are posting updates about meetings and updates to our blog, which can be located at <https://www.facebook.com/Emporia-State-University-SAA-Student-Chapter-1679346865644889/timeline>.
