Hi All,

I think we should try to keep it to one hour if we can. Here's the agenda for Monday afternoon's meeting (2PM EDT)

Here's a tentative agenda:

1. Session proposals for SAA 2014 in Washington DC
2. Funding for WIPO meeting in Geneva
3. Copyright pamphlet draft
4. White papers for the Committee on Advocacy and Public Policy
5. Updates on legislation, new cases or upcoming topical meetings
6. New business

Are there other pending issues we need to discuss?

Aprille
