

Publisher Services Summary

Thousands of publishers of all sizes rely on Copyright Clearance Center for their content licensing needs. We offer a variety of services designed to help optimize royalty income from the secondary use of your content and ease the administrative burden of your rights and permissions processes. And, as always, registration for all our services is free.

For existing services: Add new titles to the catalog or modify those already listed with Copyright Clearance Center. For a complete listing of all your titles registered with Copyright Clearance Center, request a Title Verification Report.

For new services: To add your titles to new services, contact your Publisher Relations Representative at 978-646-2800, Monday through Friday, 8:30am to 5:00pm EST, or by e-mail at publishers@copyright.com.
