# NC State COVID-19 Website, March 23

The image is a screenshot of a web browser displaying the NC State COVID-19 website. The browser's address bar shows the URL <https://web.archive.org/web/20200323124412> and the page is zoomed in by 67%. The website header features the NC State University logo on the left and a search bar with the text "search ncsu.edu" on the right. Below the header, the main heading "Coronavirus Response" is centered. A navigation menu contains links for "Home", "Updates", "FAQ", and "Community Resources". The main content area has a background image of colorful bokeh lights. A red callout box in the lower-left corner contains the text "CORONAVIRUS RESPONSE" and a paragraph stating: "NC State continues to monitor the spread of COVID-19, the disease caused by the novel coronavirus. There have been no identified cases of coronavirus on campus." Below this text is a button labeled "Get the latest" with a right-pointing arrow.

# NC State COVID-19 Website, July 22

The image is a screenshot of a web browser displaying the NC State COVID-19 website. The browser's address bar shows the URL <https://www.ncsu.edu/coronavirus/>. The website's header features the NC State University logo on the left, a 'RESOURCES' menu on the right, and a search bar with the text 'search ncsu.edu'. Below the header, the main heading reads 'Protect the Pack'. The background of the page is a photograph of a brick building with a tall, white tower in the distance, partially obscured by trees. A prominent red rectangular box is overlaid on the lower-left portion of the image, containing the text 'OVERCOMING COVID-19' in white, bold, uppercase letters. Below this heading, the text reads: 'Here's how NC State is planning to reactivate campus in the months ahead — and what you can do to help.'
