Leadership Handbook**

Abstract

This is an informal guide to the organization and operation of the roundtable compiled for the convenience of the MDOR co-chairs and steering committee. This guide originally closely and shamelessly followed the SAA Science, Technology and Health Care Roundtable's Leadership Handbook, generously provided as a model by one of its authors, but has since been rewritten to reflect SAA's revised guidelines for Roundtables and current practice.

1. LEADERSHIP

1.1 Co-chairs

1.1.1 Term of office: One chair ("convener" in SAA Council Handbook terminology) or two co-chairs may lead the roundtable. Co-chairs must be SAA members. Ideally, two co-chairs serve staggered two-year terms, so that a new co-chair is elected each year and the senior co-chair is re-elected the second year. This provides for continuity in the leadership and allows the junior (newer) co-chair to benefit from the knowledge and experience of the senior co-chair. (This document will always refer to co-chairs, though for some years the roundtable may have only one chair.) No person may serve as the senior leader of a Roundtable for more than three successive years.

1.1.2 Election: The co-chairs are to be elected annually by the membership in an electronic election. In choosing to do so the MDOR shall comply with the SAA's criteria and rules for Section elections. Members may vote only via the online ballot. Generally, the sitting co-chairs solicit someone to run for co-chair through personal invitation or announcement to the MDOR Listserv. The new co-chair takes office at the close of the SAA annual meeting. Only SAA members may vote for co-chairs.

1.1.3 Duties:

- Chair MDOR annual meeting: Typically the senior co-chair runs the meeting and the junior co-chair takes minutes.
- Make arrangements for the annual meeting and build the agenda: Decide on the program portion of the meeting (in consultation with the steering committee); after calls come from SAA, submit text for printed program and formal request for AV (audiovisual) support to be reviewed by the Finance Committee, which will then recommend appropriate funding for inclusion in the budget process. Per the SAA Governance Manual (Section X: Roundtables, VII. B.), AV funding for Roundtables is not guaranteed; funded amounts may vary by year. Form is here: <http://www2.archivists.org/node/15119>. Communicate with SAA Council, Program Committee, and any other committee liaisons to confirm their spots on the agenda; consult with steering committee about any hot topics or special guests that should be on the agenda.
- Communicate with SAA leadership on behalf of the roundtable: File an up-to-date leadership list (co-chairs and steering committee members) with SAA headquarters within 14 days of the close of the SAA annual meeting along with copies of the MDOR annual meeting sign-in sheets; submit annual report to SAA headquarters within 90 days of the close of the SAA annual meeting; respond to queries from SAA leadership as issues arise. Typically, submission to SAA headquarters means sending to the SAA executive director and copying MDOR's Council Liaison. The leadership list and annual report should also be sent to the MDOR web liaison for posting on the MDOR website.
- Communicate with MDOR steering committee: Arrange steering committee planning meeting during SAA annual meeting, and teleconferences as needed during the rest of the year; discuss session proposals and MDOR endorsement; discuss program for roundtable annual meeting; discuss issues affecting MDOR members and how to respond. An MDOR steering committee Listserv is available to facilitate communication.

Society of American Archivists
**Metadata and Digital Object Roundtable
Leadership Handbook**

- Communicate with MDOR membership via the MDOR Listserv: In advance of the annual meeting, send message listing the time, program, and agenda for the MDOR meeting; after the annual meeting, send a message announcing the new officers and steering committee members with contact information; solicit roundtable program proposals; inform the members of events and issues of concern; forward appropriate messages from the SAA leader announcement list ("saaleaderlist") to members.

- Coordinate MDOR endorsement of session proposals: Keep track of proposals seeking MDOR endorsement; poll the steering committee about which sessions to endorse; send list of MDOR-endorsed proposals to SAA Program Committee; notify all session proposers of the results of the endorsement process. (These duties may be given to a steering committee member if the co-chairs have conflicts of interest in the endorsement process.)

- Be sure SAA staff have signed you up for the MDOR Listserv and the MDOR steering committee Listserv.

- Become familiar with SAA's policies on roundtables, including responsibilities of co-chairs, by reading:

- (1) "Section X: Roundtables" of the SAA Council Handbook
<http://www2.archivists.org/governance/handbook/section10>, and

- (2) "Frequently Asked Questions about Sections and Roundtables" at
<http://www.archivists.org/saagroups/sectionfaqs.asp>.

- Transfer routine transmittal letters and other "house-keeping" documents following the retention period and before sending the records to the SAA archives at the University of Wisconsin-Milwaukee (UWM) Libraries. Records scheduled for transfer should be carefully packaged and described in a transfer form. Please send records to:

1.2 Steering committee

1.2.1 Composition: The steering committee is composed of the two co-chairs, the immediate past co-chair, web liaison, social media coordinator, and several other members representing repositories working with or interested in digitization, digital objects and their metadata. Consideration might be given to including on the steering committee a student representative--

Society of American Archivists
**Metadata and Digital Object Roundtable
Leadership Handbook**

i.e., a library school student who is interested in digital objects--to serve a one-year (renewable) term. While there is no rule stating the size of the steering committee, co-chairs should recognize that too many members could make it unwieldy to conduct business, and that an odd number of members avoids the problem of even splits on issues. Terms of office are not fixed, but steering committee members must remain active, and must attend at least every other steering committee meeting. Only SAA members are eligible to serve as Roundtable leaders.

1.2.2 Selection process: In the month before the annual meeting, the co-chairs send a message to the membership (via the MDOR Listserv) soliciting interest in serving on the steering committee. They make a similar announcement/call at the annual meeting. Once it has been determined how many sitting steering committee members are stepping down (thus, how many new slots are available), the co-chairs consult with the steering committee to select the new members. In selecting members, co-chairs should seek archivists working on digitization projects, with digital objects and metadata who have ideas about future directions for the roundtable, and strive for diversity, including geographic, affiliation, etc. In a typical year, expect to add 1-3 new members to the steering committee.

1.2.3 Duties: Steering committee members bring their unique talents and interests to the group. Duties of committee members vary according to the individual. Some usual duties of committee members include:

- Develop and/or solicit proposals for sessions at the SAA meeting, and a program for the roundtable annual meeting.
- Participate in MDOR endorsement of session proposals (assuming no conflict of interest).
- Respond to email queries from the co-chairs and contribute to discussions throughout the year about future directions, programs, policies, and procedures.
- Liaise with other groups with related interests.
- Attend the annual steering committee planning meeting during the SAA annual meeting.

1.2.4 Communication: Steering committee members should be automatically added to the MDOR steering committee Listserv once SAA staff is notified of election.

1.3 Web liaison

1.3.1 Member of the steering committee. Only SAA members are eligible to serve as a web liaison.

1.3.2 Duties:

- Maintain and update the MDOR website.
- After the annual meeting, post updated contact information for new co-chairs and steering committee members to the website.

Society of American Archivists
**Metadata and Digital Object Roundtable
Leadership Handbook**

- Post the annual report and any announcements to the website.
Work with Social Media coordinator to incorporate social media postings into MDOR web site.

2. MEETINGS

2.1 Annual steering committee planning meeting

- 2.1.1 Held during the SAA annual meeting, to discuss issues and future directions.
- 2.1.2 Co-chairs should plan the date well in advance of the meeting so that steering committee members can plan to attend.
- 2.1.3 Discuss: Brainstorm session proposals; new committee members; pending issues and projects. (See Appendix B, Sample agenda)

2.2 Annual roundtable meeting

- 2.2.1 Held during SAA annual meeting at a time assigned by SAA.
- 2.2.2 Senior co-chair runs the meeting; junior co-chair takes minutes.
- 2.2.3 Circulate a sign-in attendance sheet (See Appendix D, Sample sign-in sheet); the co-chairs submit a copy of this and names and term for all steering committee members to designated SAA staff (cc: MDOR's Council Liaison) within 30 days following the annual meeting.
- 2.2.4 Elements: (See Appendix C, Sample agenda):
 - Welcome from the co-chairs.
 - Brief visits from representatives of SAA Council, Program Committee, and possibly others.
 - Announcements from the floor.
 - Reports on previous year's activities, including MDOR website.
 - Election results announcement.
 - Call for new steering committee members.
 - Brainstorm ideas for possible session proposals for the next SAA annual meeting.
 - Program: Determined by co-chairs in consultation with the steering committee. This may be a scaled-down version of an MDOR-endorsed session that wasn't accepted for the general meeting, but was deemed important and timely by the co-chairs, or any presentation of interest.

4. SAA ANNUAL MEETING SESSION PROPOSALS

4.1 Proposal solicitation process: Proposals for sessions for the annual meeting are solicited via the MDOR Listserv, and during the proposal brainstorming session at the MDOR annual meeting and MDOR steering committee meeting.

4.2 Proposal endorsement process: Formal endorsement procedures vary from year to year, and are communicated to the roundtable by our SAA Council liaison. The MDOR endorsement process can take any form; in past years steering committee members ranked each session proposal from 1 (low) to 5 (high) and then endorsed the highest scoring proposals. The co-chairs, or a steering committee member designated by them, lead the process, notify the session proposers and the steering committee of the results, and submit the endorsements to SAA. Steering committee members who have conflicts of interests in the endorsement process typically recuse themselves from the vote.

4.3 Publicity for MDOR-sponsored sessions and activities: Announcements are made via the MDOR Listserv and other social media platforms before the SAA annual meeting and at the MDOR annual meeting.

5. REPORTS

5.1 Leadership list to SAA

5.1.1 Roundtable conveners are required to report the name(s) of their convener(s) for the coming year to the SAA office within 14 days of the close of the Annual Meeting. This enables updating of the official SAA leadership list ("saaleaderlist") so that mailings can be circulated properly. Also submit to the MDOR web liaison for posting on the MDOR website.

5.1.2 The leadership list should include the following:

- MDOR position;
- Name of person;

Society of American Archivists
**Metadata and Digital Object Roundtable
Leadership Handbook**

- Full contact information (mailing address, phone and fax numbers, e-mail address).

5.2 Annual roundtable report to SAA

5.2.1 Due to SAA headquarters within 90 days of the close of the SAA annual meeting. Failure to complete and file an annual report within six months of an Annual Meeting places the Roundtable in a probationary status and may result in a loss of Roundtable privileges. Failure to file an annual report within one year of the close of the Annual Meeting will result in a notice from the president of the Roundtable's dissolution. Roundtables receiving such notice may file an appeal with the Council. Roundtable annual reports, including the update of purpose and activity statements, will be published on the Roundtable's website.

5.2.2 Report (one or two pages in length) should include the following information:

- Name of roundtable;
- Date of report;
- Officers' names, positions, and terms;
- Number of attendees at annual meeting;
- Election results;
- Summary of meeting activities (can attach minutes);
- Completed projects/activities;
- Ongoing projects/activities;
- New projects/activities;
- Strategic Priority - Technology initiatives;
- Strategic Priority - Advocacy/Public Awareness initiatives;
- Questions/concerns for Council attention.

5.2.3 The annual report form is on the SAA website at http://www2.archivists.org/sites/all/files/SectionRTAnnualRptTemplate_0.doc.

5.2.4 Submit to the SAA Executive Director and copy the SAA Council Liaison. Also submit to the MDOR Web Liaison for posting on the MDOR website.

5.3 Other reports

Society of American Archivists
**Metadata and Digital Object Roundtable
Leadership Handbook**

5.3.1 Message from the co-chairs: Should be posted to the MDOR and SAA Listservs/forums (and possibly other related groups). This message will include an invitation for attendance at the roundtable annual meeting and include the date, time, and agenda for the meeting. The message will also include a description of the program to be offered, with a short biographical statement about each of the main presenters.

5.3.2 Web liaison's report at annual meeting: covers website activities, issues, problems, etc.

5.3.3 Reports from other subcommittees and task groups.

6. BUDGET

6.1 The roundtable will seek monetary support from the SAA Council as needed and according to procedures in the SAA Council handbook, Section X, Roundtables/Part X, Funding for Roundtable Activities.

Budget requests from Roundtables will be submitted as part of the annual report due to the Council within 90 days of the close of the Annual Meeting. A form is provided on which the Roundtable leadership describes the activity planned for the Roundtable and proposes a budget sufficient to accomplish it. The deadline will be strictly adhered to; budget requests received after the deadline will not be considered. Funds allocated to a Roundtable during one fiscal year are not automatically carried over to the next fiscal year. If an allocation needs to be deferred to the next fiscal year, the Roundtable must formally request the carryover in its annual report.

The budget section of the SAA Council Handbook may be found at
