Timestamp	The Key Contact program will now be an outreach to new members. How frequently should a list of new members be created and distributed?	Would you be more or less likely to serve as a District Rep if we created terms of service for District Reps?	How long should a term of service be for a District Rep?	Should it be renewable?	Would it be easier or harder to recruit Key Contacts if created terms of service for the Key Contacts?	How long should a term of service be for a Key Contact?	Should it be renewable?	Are there any other suggestions you would make for the Key Contact program?	If terms are renewable, what term limits should apply?	If terms are renewable, what term limits should apply?
								I don't agree with the direction the program is taking. I appreciate that it might make it a little easier to have people deal directly with SAA staff, but it takes away the personal, collegial touch. It is also good to keep on top of what issues people are having.		
	Bi-monthly (every other month)	Would not matter	2 years	Yes	No difference	2 years	Yes	As it stands now, key contacts and district reps have gone from being an integral part of the membership committee to a welcome wagon; and for that, you are looking at terms and term limits?	No term limits	No term limits

7/5/2011 15:33:14	Quarterly	Would not matter	3 years	Yes	No difference	3 years	Yes	Set up a seccession plan of some sort. Some serving as Regional Reps felt that they had a difficult road to stepping down, if they could. Finding someone else to serve as vice-rep or rep in training, along with term limits, would lead to a better key contract program.	4-6 years maximum	7-9 years maximum
7/5/2011 19:42:36 7/21/2011 14:42:			3 years	Yes	No difference	3 years	Yes	Try to make the workload more equitable by increasing the number of key contacts for states that have a larger membership base. I think that it will help remedy this situation now that they are just contacting new members, but there is a huge difference between key contacts that have 30 members to contact vs. those who have one or sometimes none.		No term limits
	Quarterly	Would not matter	2 years	Yes	Harder	3 years	Yes		No term limits	No term limits

								When I was a Key Contact what was overwhelming was having so many to contact at once. By eliminating contacting the grace and delinquent members, the work load will be much easier.		
								I believe new members should be contacted within the month they join it's just more polite and helpful. Thanks for asking for our opinions!	4-6 years	4-6 years
