

The New York Public Library for the Performing Arts, *August 2017*

Table signs for handling specific types of materials. Table signs placed at nearly every seat in the reading room. The sign with the pictographs was especially developed to help us reinforce the most important guidelines that are bulleted on the verso of the registration forms.

*Shared with the SAA Preservation Section by Annemarie van Roessel, Assistant Curator at the The New York Public Library for the Performing Arts Billy Rose Theatre Division.*
