# Update from TS-EAS Technical Subcommittee – Encoded Archival Standards

Provided by Karin Bredenberg and Mark Custer

# Committee Overview

- Maintain two XML encoding standards currently:
  - EAD (collections) and EAC-CPF (creators)
- Relatively new: approved in 2015 and formed in 2016
- Twenty-two members as of today, operating in seven different time zones
  - 7 members rotating off next month
  - 3 reappointments, 5 new international, 4 new SAA and 1 new early-career member

# What happened last year?

- Continuation of SAA's Early-Career Member Program
- Webinar and tutorials series, thanks to our Outreach team!
  - See SAA's YouTube channel
- EAC-CPF major revision process continued
- EAD major revision process initiated

# EAC-CPF

- EAC-CPF subgroup within TS-EAS with 5 - 9 members
- Revision of current EAC-CPF schema started in 2017
- Call for Comments for EAC-CPF 2.0 draft, March - June
  - Currently reviewing feedback
- Hosted two webinars on EAC-CPF 2.0 in April
- Plan to release new EAC-CPF 2.0 version latest January 2022

# EAD

- EAD subgroup within TS-EAS with 9 members
- Submitted EAD for major revision (according to SAA rules)
  - Approved in December 2020
  - First half of 2021 dedicated to community engagement
    - EAD usage survey (January to March)
    - EAD usage panels (2/4 June) - [SAA's YouTube channel](#)
- Currently reviewing EAC-CPF 2.0 with regard to potential impact on EAD (keyword: reconciliation)
- Minor revisions of EAD 2002 schema and EAD3 Tag Library

# Coming Soon!

- Opportunities to join TS-EAS. Volunteer season every December
- EAC-CPF version 2.0 publication!
- EAD major revision. Prepare to give input!

Tack all outgoing members!  
Välkomna all new members!
