### **Events from 2016**

During Winter and Spring quarters this school year, SAA has participated in a number of social and professional activities. In terms of meetings, we had two general (January and April 2016) and two officer (also in January and April 2016). To promote development, we have gone on a number of tours. In February 2016, we toured USC Special Collections, specifically the Cassiday Lewis Carroll Collection. Additionally, we toured UCLA's Southern Regional Library Facility. We have also revamped our social media presence via Facebook and Twitter, and our social media coordinator published a blog post to highlight our Lewis Carroll Collection tour. In preparation for the incoming MLIS class, SAA has partnered with other student groups within our program to organized a welcome party sponsored by second year students on behalf of the professional student organizations we are a part of. The party will be held in the MLIS building and is meant as an ice-breaking event as well as an information session about each of the student organizations and the benefits of joining. The tentative date for the gathering is September 16, 2016. Finally, the incoming officers for the 2016-2017 school year will be meeting over the summer in order to develop a tentative schedule of meetings, events, and tours for the year. We will also be holding elections for Vice-president at the beginning of the year in the hopes of finding someone to fill that position from the incoming class.
