Events from 2016-2017 School Year:

In preparation for the incoming 2016 MLIS class, SAA partnered with other student groups within our program to organize a welcome party sponsored by second year students on behalf of the professional student organizations we are a part of. The party was held in the GSE&IS building on September 19th as an ice-breaking event as well as an information session about each of the student organizations and the benefits of joining. We had a general meeting on October 3rd and our first officer meeting on November 8th. On October 24th we hosted our first site visit of the new school year to the Ronald Reagan Library. We also hosted an end of the quarter happy hour at Palomino on Friday December 9th.

In the Winter quarter we had a lot of exciting events. Our general meeting was held on January 23rd and then we had our first site visit of the quarter to the Huntington Library on February 10th. The next day we hosted a tagging event for the Huntington on Zooniverse at the GSE&IS building. On February 27th we had an officer meeting discussing the officers in trainings and their upcoming roles in the 2017-2018 year. We hosted another end of the quarter happy

hour at Palomino on March 24th. So far in the Spring quarter we have hosted a site visit to FIDM's archive and library on April 21st. We are in the works on planning next year's site visits and plans for welcoming the incoming first years. The incoming officers will meet in the summer to discuss future plans. Also, two of our officers, Jessica Tai and Sabrina Ponce, won Mosaic Scholarships from SAA and one of our members, Jeannie Chen, won the Josephine Forman Scholarship which we are all very proud of.
