UNIVERSITY OF HAWAI'I AT MĀNOA LIBRARY & INFORMATION SCIENCE PROGRAM

Background

The Society of American Archivists University of Hawai'i Student Chapter was established in 2007. The purpose of forming this student chapter was to encourage discussion and awareness of archival issues and the archival profession in Hawai'i, across the United States and around the world.

Today, we are fulfilling our purpose by providing members with opportunities to explore local archives through tours and service projects, attend archival conferences and network with local archivists to promote a stronger professional community within the islands of Hawai'i. This student chapter is open to anyone in the LIS program regardless of chosen track or emphasis.

After a brief hiatus, the SAAsc at UH-Mānoa has been reinstated with its charter and has been getting its operations up and running again this year. We have big plans for 2023 to resume social and professional activities, as well as increase membership.
