Anna Wood, President  
Society of American Archivists Student Chapter (SAAsc)  
University of Hawai'i at Mānoa (UH-Mānoa)

## Background

The Society of American Archivists University of Hawai'i Student Chapter was established in 2007. The purpose of forming this student chapter was to encourage discussion and awareness of archival issues and the archival profession in Hawai'i, across the United States and around the world.

Today, we fulfill our purpose by providing members with opportunities to explore local archives through tours and service projects, attend archival conferences and network with local archivists to promote a stronger professional community within the islands of Hawai'i. This student chapter is open to anyone in the LIS program regardless of chosen track or emphasis.

## Introduction

The Society of American Archivists Student Chapter at the University of Hawai'i at Mānoa (UH-Mānoa) submits the following report of SAAsc activities for the spring and fall of 2025.
