Projects

Team Structure

SAASC continued to utilize the team structure this year. In addition to the extant Events Team and Web Team, the *Archeota* Team was officially formed in the Fall 2017 semester. Team members are non-elected volunteers that are members of SAASC. The work of the teams is critical to the success of SAASC.

Blackboard to Zoom Video Conversions

The San Jose State University School of Information made the switch from Blackboard Collaborate to Zoom to hold virtual meetings. SAASC executive committee members ensured pertinent recent recordings were converted to allow future members access.

Archeota

Veteran *Archeota* Managing Editor Kimberlee Frederick was unable to carry on her duties after fall 2017, so Editor Jennifer Castle assumed responsibilities in the spring. On May 17, 2018 SAASC successfully released the seventh issue of *Archeota* (Volume 4, Issue 1), our official publication and voice of the student archivists at SJSU. The design and readability of *Archeota* were updated to resemble a newspaper publication, and much more content was included. In 2018-2019 SAASC aims to increase participation and diversify content even further. *Archeota* can be viewed here: <http://sjsusaasc.weebly.com/archeota.html>
