

Women in Engineering

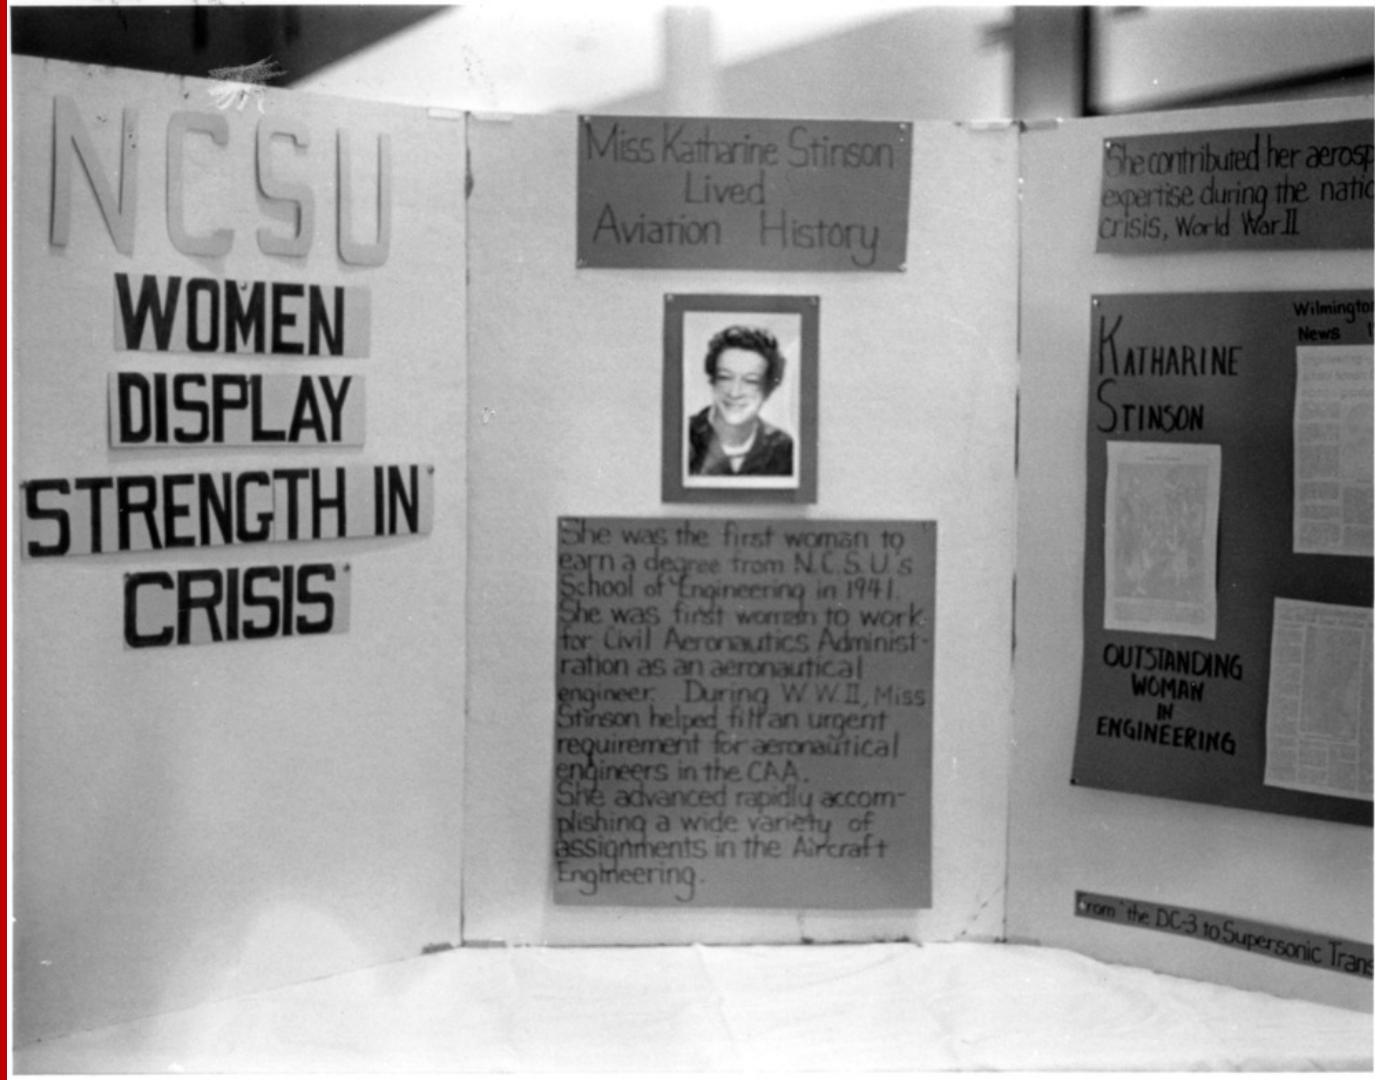

Collections in the Special Collections Research Center,
NC State University Libraries

Science, Technology and Health Care Section
Society of American Archivists
2019

Linda Sellars
Head of Technical Services for Special
Collections
NC State University Libraries

NC State University, College of Engineering, conferences and events, engineering careers for women conference, 1980

College of Engineering,
Meetings and
conferences
(UA023.012.044),
Special Collections
Research Center at NC
State University
Libraries

Katharine Stinson
with three
students,
1970s

College of Engineering, Administrators,
faculty, and staff (UA023.012.010),
Special Collections Research Center at
NC State University Libraries

Women in
defense
training
studying
engineering
drawing,
1942

Student life. Women
(UA023.025.011),
Special Collections
Research Center at NC
State University
Libraries

Frances (Billie) Richardson with microscope

College of Engineering.
Administrators, faculty, and staff
(UA023.012.010), Special Collections
Research Center at NC State
University Libraries

Frances (Billie) Richardson,
Engineering Research Associate
Professor, 1951

College of Engineering. Administrators, faculty, and staff (UA023.012.010),
Special Collections Research Center at NC State University Libraries

Civil engineering student
Emily Brown with surveying
equipment,
1951

College of Engineering. Civil and industrial engineering
(UA023.012.033), Special Collections Research Center at
NC State University Libraries

Women engineering
students inspecting
an electron
microscope used in
chemical
engineering
research, 1953 or
1954

People. Class pictures
and student portraits
(UA023.024.050),
Special Collections
Research Center at NC
State University
Libraries

Engineering coeds in the student engineer's lounge in Riddick Building, 1953 or 1954

College of Engineering.
Students. Academic life
(UA023.012.031),
Special Collections
Research Center at NC
State University
Libraries

Research Assistant
Elizabeth
Whitener placing
slide in Norelco
Diffraction
Analysis Apparatus
in
Engineering
Research x-ray
laboratory, 1956

College of Engineering. Laboratories
(UA023.012.023), Special Collections
Research Center at NC State
University Libraries

NC State University,
College of Engineering,
academics and students,
woman in engineering,
1960s

College of Engineering. Students.
Academic life (UA023.012.031),
Special Collections Research Center at
NC State University Libraries

NC State University, College of Engineering, academics and students, women in engineering, 1960s

College of Engineering.
Students. Academic life
(UA023.012.031),
Special Collections
Research Center at NC
State University
Libraries

NC State University,
College of
Engineering,
academics and
students, women in
engineering,
1960s

College of Engineering.
Students. Academic life
(UA023.012.031),
Special Collections
Research Center at NC
State University
Libraries

NC State University, College of Engineering, academics and students, women in engineering, 1968

College of Engineering.
Students. Academic life
(UA023.012.031),
Special Collections
Research Center at NC
State University
Libraries

NC State University,
College of Engineering,
academics and
students, women in
engineering,
1970

College of Engineering.
Students. Academic life
(UA023.012.031),
Special Collections
Research Center at NC
State University
Libraries

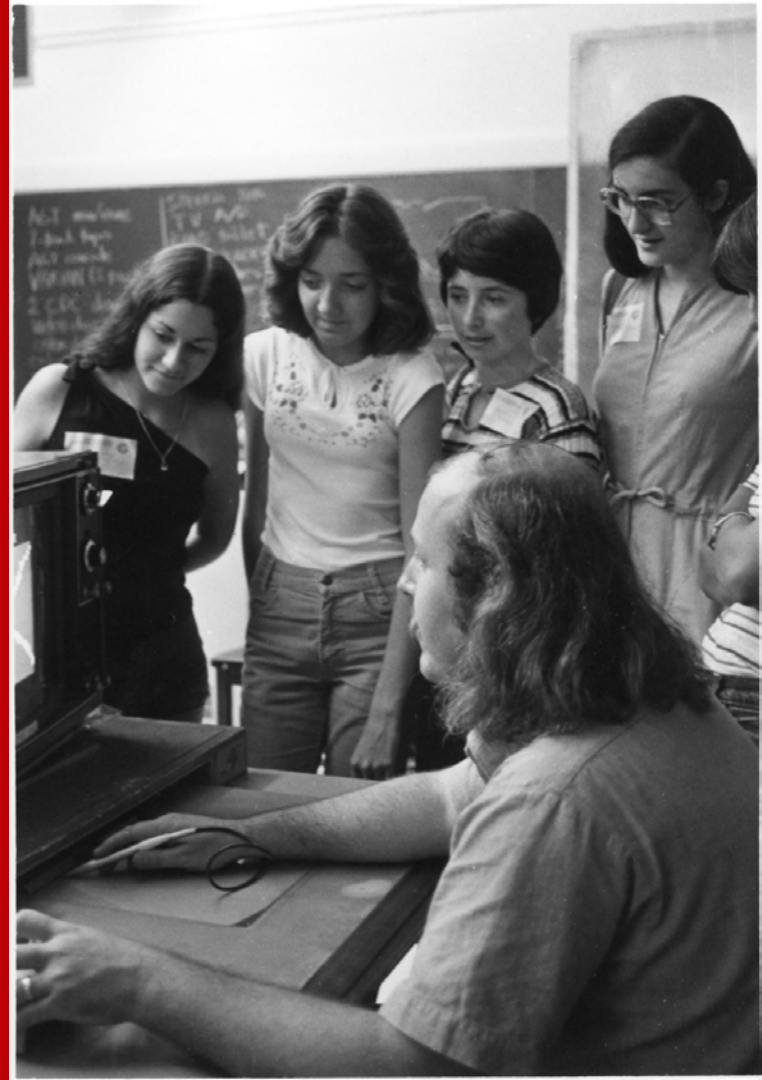

Student at the scanning electron microscope, 1974

College of Engineering. Equipment and machinery
(UA023.012.024), Special Collections Research Center at
NC State University Libraries

NC State University, College of Engineering, conferences and events, engineering careers for women conference, 1970s

College of Engineering. Meetings and conferences (UA023.012.044),
Special Collections Research Center at NC State University Libraries

NC State
University,
College of
Engineering,
conferences and
events,
engineering
careers for
women
conference,
1970s

College of Engineering. Meetings
and conferences (UA023.012.044),
Special Collections Research Center
at NC State University Libraries
