Summary of meeting activities:

- Aprille McKay had given an oral presentation to SAA Council on current and anticipated work of the IPWG the previous day. She gave Council's feedback on the report to the members. Most importantly, IPWG should request funding for any advocacy efforts as soon as possible, and should be sure to communicate with CAPP and Issues and Advocacy to help with the copyright advocacy work.

- Discussion regarding the Trans-Pacific Partnership Agreement and the possibility that copyright term may be extended.
 - We resolved to write a TPP issue brief, authored by Jean Dryden.
 - McKay agreed to attend the Issues and Advocacy Section to prepare them to help when the time is right.
- Discussion regarding copyright advocacy strategy
 - Eric Harbeson spoke on relying on fair use vs. requests for other legal changes
 - SAA should have an advocacy system that allows members to plug in zip codes and send a letter to their members of Congress.
 - We agreed to ask Issues and Advocacy to do research on TPP key players.
 - Resolved that we should do more advocacy on social media. We need an SAA Twitter account
- Discussion of plan for meeting with Copyright Office representative Kevin Amer later during the Annual Meeting on August 21.
- Discussion of the current draft of the issue brief on Archivists and the Term of Copyright.
- Merrilee Proffitt and Heather Briston led a discussion of open licensing of finding aids. We agreed it is worth endorsing and advocating for.
- Bill Maher reported on WIPO/SCCR. Discussion about timing of assessing the utility of sending an SAA representative to the December SCCR meeting. We agreed to discuss again pending the outcome of the WIPO General Assembly in October.

- Tim Padfield has resigned his representation of ICA at the SCCR meetings. McKay will send a message to ICA leadership (with David Sutton's and Maher's help) to stress the importance of ICA appoint a new representative to attend the meetings.
